

PROJECT MANAGEMENT APP

KULDEEP UPADHYAY

Phase 10: Final Presentation & Demo Day

Goal: Deliver the completed solution and demonstrate functionality.

- Prepare a presentation covering problem, solution, and benefits.
- Show live demo of project creation, task assignment, and reports.
- Explain automation flows, triggers, and dashboards.
- Provide user guide and handover documentation.
- Collect feedback from stakeholders during demo.
- Record the demo for future references and portfolio.
- Publish project details on LinkedIn/Portfolio.
- Conduct a Q&A session to resolve doubts.
- Plan enhancements and future improvements.

The screenshot displays a web application interface for Project Management. A modal window titled "New Timesheet" is open, allowing users to create a new timesheet entry. The modal contains the following fields and options:

- Project Name:** A dropdown menu with the selected option "This is my first project".
- Consultant:** A dropdown menu with the selected option "KULDEEP UPADHYAY".
- Task Date:** A date picker showing "10/05/2025".
- Task Description:** A text area containing "Completed with Salesforce Project".
- Total Number:** A text input field containing "10.00".
- Invoiced?:** A checkbox that is currently unchecked.

At the bottom of the modal, there are three buttons: "Cancel", "Save & New", and "Save". The background interface shows a sidebar with "Project Management" and "Timesheets" tabs, and a main area with a "Related" section showing a list of timesheets.
